

DOG ON IT PARKS

DOG-ON-IT-PARKS.COM

Our eco-friendly A-Frame is manufactured with a winning combination of recycled aluminum and maintenance-free HDPE plastic. The aluminum walking surfaces feature our exclusive PawsGrip™ coating, a VOC-free polyurea that provides slip resistance in all weather conditions. With a maximum height of three feet at the peak and extra wide 38" planks, this is appropriate for all skill levels. The Eco A-Frame has versatile base plates for portable, surface mount or semi-permanent/seasonal installations. Standard colors are Green, Red or Blue with Charcoal posts/base plates.
