DOG-ON-IT-PARKS.COM

Whether you're just getting started or supplementing an existing off-leash area, the Absolute Basics Amenities Kit offers all the essentials for any dog park: A 6' Dog Paw Bench, 32 Gallon Trash Receptacle, a fully stocked Waste Pick Up Station and our Pet Parking Post. Both the bench and waste receptacle are manufactured with heavy-gauge steel and feature a super durable, weather resistant coating. The waste pick-up station comes with 400 bags and 50 can liners, and lastly the Pet Parking Post provides a handy place to either hang leashes while not in use or secure your pet while entering/exiting the park.
