DOG-ON-IT-PARKS.COM

Whether you're just getting started or supplementing an existing off-leash area, the Basics Plus Amenities Kit includes all the furnishing essentials for a dog park: A 6' Dog Paw Bench, 32 Gallon Trash Receptacle, Fire Hydrant, a fully stocked Waste Pick Up Station, Custom Dog Park Rules Sign and our Pet Parking Post. The bench and waste receptacle are manufactured with heavy-gauge steel with a super durable, weather resistant coating. The waste station includes 400 roll or single-pull style bags and 50 can liners, and the Pet Parking Post provides a handy place to either hang leashes or briefly secure your pet. Lastly, you can customize the Dog Park Rules Sign with your own verbiage and logo.
