

**DOG ON IT PARKS**

DOG-ON-IT-PARKS.COM

The EcoDog™ System offers six eco-friendly dog agility components: Eco A-Frame (Large), Eco Balance Beam, Eco Dog Walk Ramp (Small), Eco Adjustable Jump Bar, Eco Double Hoop Jump and Eco Wall Jump (Double). All pieces are suitable for dogs of all sizes and abilities, and walking surfaces feature our exclusive PawsGrip™ texture for slip resistance in all weather conditions. All EcoDog™ components feature versatile bases that provide the flexibility of portable installations for rooftop dog parks or special events, semi-permanent for seasonal dog parks or permanently installed with concrete footers or anchor bolts. Pricing includes a courtesy 5% package discount compared to a la carte selections. For more details, please see specifications for individual components.
