

DOG-ON-IT PARKS

DOG-ON-IT-PARKS.COM

Hound Hurdles help to improve jumping and timing skills. This series of four low jumps is suitable for dogs of all sizes and is easily modified for small dog areas of the park by narrowing the spacing between each jump. Alternating paw and bone details add an element of fun while also helping to provide depth perception. Standard colors are Red, Blue or Green, with custom colors available for an additional charge.
