

DOG-ON-IT PARKS

DOG-ON-IT-PARKS.COM

The pedestal-style unit offers a convenient and eco-friendly bottle filler with either push button/sensor operation or push button only requiring less than 5 lbs of force to operate. With proper installation the unit meets current ADA regulations and is also certified lead free. The pet bowl fills with its own push button and a slow drain helps prevent standing water. Standard features include a vandal resistant mounting plate, anchoring hardware and resistance to sunlight, heat, moisture and wear. Unit is certified to meet NSF/ANSI 61, Section 9, Public Law 111-380 (No-Lead) and CHSC 116875
