

DOG-ON-IT PARKS

DOG-ON-IT-PARKS.COM

A dual-function and space saving play component that offers both a tunnel and a jump. Featuring durable (and eco-friendly!) HDPE plastic planks with alternating paw and bone details, this piece is exclusive to Dog-ON-It-Parks. The routed wavy planks allow light into the interior so even a dog new to agility tunnels will feel more comfortable. Standard colors are Green or Red with custom colors available as well.
