

A dual-function and space saving play component that offers both a tunnel and a jump. Featuring durable (and eco-friendly!) solid poly planks with alternating paw and bone details, the Collie Crawl is exclusive to Dog-ON-It-Parks. The routed wavy planks allow light into the interior so even a dog new to agility tunnels will feel more comfortable. Standard colors are Green, Blue or Red with custom colors available as well. Customize this with your park or community name free of charge!
