DOG-ON-IT-PARKS.COM

The Single Pointer Plank is ideal for beginners to dog agility along with small or shy dog areas of the park. With an easy 4" jump height and uprights that help to direct the dog over the center of the jump, the routed paw and bone details aren't just attractive, they also help with depth perception. Like all of our routed components, this includes free customization. Standard colors are Green, Black, Blue or Red with custom colors available as well.
