The 48" Hydraulic Grooming Table is top dog! Manufactured with heavy-gauge, powder coated steel, it features a non-slip, reinforced table top and includes storage spaces for grooming tools on both sides. Simply pump the foot pedal to easily adjust the table height from 19" up to 39". It ships fully assembled, and the handy Rotating Swing Arm attaches to the table frame for security, rotates a full 180 degrees, and adjusts from 8" to 40" so you can groom all creatures great and small with ease.
