

**DOG-ON-IT PARKS**

DOG-ON-IT-PARKS.COM

Our eco-friendly A-Frame is manufactured with a winning combination of recycled aluminum and maintenance-free HDPE plastic. The aluminum walking surfaces feature our exclusive PawsGrip™ coating, a VOC-free polyurea that provides slip resistance in all weather conditions. With a maximum height of three feet at the peak and extra wide 38" planks, this is appropriate for all skill levels. The Eco A-Frame has versatile base plates for portable, inground mounting or semi-permanent/seasonal installations.

**Views:**

# R7601 ECO A-FRAME (LARGE)
