

DOG ON IT PARKS

DOG-ON-IT-PARKS.COM

The Eco Double Hoop Jump features a large 35" diameter hoop and a smaller 26" option for our little friends. They are manufactured with 100% recycled HDPE plastic and feature routed bi-color hoops with bone and paw details to assist with depth perception. Like all our EcoDog™ products, this has a versatile base plate for portable, inground mounting or semi-permanent, seasonal installations.
